

## RMRHA STALLION STAKES BREEDING CONTRACT

I hereby donate to RMRHA, a breeding to my stallion: \_\_\_\_\_, for the 2023 breeding year. The stallion owner will receive one (1) complimentary entry fee, for an eligible horse, into the 2027 Stallion Stakes Futurity class, excluding judges fee. RMRHA will also play one video, provided by the stallion owner, advertising the donated stallion during the 2027 RMRHA webcast of the horse show hosting the Stallion Stakes Futurity class.

This Stallion Stakes Breeding Contract ("SSBC" or "Contract") is transferable to the mare owner who purchases the stallion service as designated below ("Mare Owner"). The purchase amount shall not be less than 50% of the advertised stallion service fee (minimum bid \$350). The SSBC includes a live foal guarantee limited to the following year for the same mare bred pursuant to this Contract (a substitute mare may be designated so long as the substitute mare is owned by the Mare Owner.) Any ancillary charges included, but not necessarily limited to, vet bills, mare care charges, chute fee and semen shipping fees shall be the sole responsibility of the Mare Owner and are charges independent of, and in addition to, the SSBC purchase amount. The Mare Owner, by participating in this RMRHA program and SSBC, does understand, agree and accept that RMRHA members, officers and representatives are not liable for death, sickness, infertility, and/or accidental injury including consequential damages, to the mare, foal or the Mare Owner during participation in this breeding program caused by either negligent or intentional acts of any party to the Contract. RMRHA **strongly suggests** that upon receipt of the mare for breeding, that the stallion owner or representative has the Mare Owner sign their individual breeding contract in addition to this SSBC.
